CLASS OF 2023

Dear Student,

The faculty and I are pleased to learn that you are considering making application for the next school year.

The Oklahoma School of Science and Mathematics (OSSM) is a public, residential high school for juniors and seniors who are talented in science and mathematics and show promise of exceptional academic achievement. We are pleased with the progress we have made since we officially accepted our inaugural class in September 1990.

All application materials (application, transcript, test scores, recommendations) must be postmarked on or before March 1, 2021. The admissions committee will review all materials and select the semifinalists. Applicants will be notified in mid-March whether they have been selected as semifinalists. These students will be invited to Oklahoma City for personal interviews on Saturday, April 10th. All students interviewed will receive written notification prior to mid-May regarding their admissions status.

We look forward to receiving your application. If you have questions or concerns, please do not hesitate to call and speak with our admissions team.

Sincerely,

Frank Y. H. Wang, Ph.D. President

ADMISSIONS PROCESS

Application Deadline – March 1, 2021

Application Review/Paper Screening – Early March

Notification of Semi-finalists – Late March

Semi-Finalist Interviews – Mid April (Via Zoom)

Notification of Finalists – Early May

Application

Admission to OSSM is a highly competitive process initiated by written application. In addition to the student's high interest in science and mathematics, the admissions committee examines multiple criteria including standardized test scores, previous grades and coursework, and academic recommendations. Committees comprised of OSSM faculty and leaders from throughout the state review the applications.

Students' applications are reviewed while protecting the anonymity of the applicants. All references to their names, towns, schools, etc. are redacted from the credentials reviewed. Once the applications have been scored, a select number of applicants are classified as semifinalists. Letters are sent to all applicants advising them whether they have been selected to participate in the interview portion of the admissions process.

Interview

The interview committee is comprised of OSSM faculty and leaders from throughout the state. Subcommittees of three (faculty, professionals, and civic and community leaders) interview a select number of students. Applicants will be given an interest inventory and formal interview.

Selection

Each student's scores from the initial applicant review and the interview process are compiled and analyzed. Students are then selected as finalists from this total application pool. Each year between 75 and 125 students are selected. The actual number of students is predicated on legislature funding and the strength of the applicant pool.

Notification

Letters are sent to all students advising them of the outcome of the selection process each year. All finalists are requested to sign and return a Letter of Intent advising the Oklahoma School of Science and Mathematics of their decision.

APPLICATION INSTRUCTIONS

Please read these instructions carefully before starting work on your application. Please **DO NOT** print applications front and back, applications must be submitted one sided.

Transcript Request Form

Complete the information requested and give this form to your principal or guidance counselor. The official transcript and the form may be placed in a sealed envelope for you to send with your application or, if this procedure is against your school's policy, the transcript and request form may be sent separately to OSSM.

Please note: Your transcript should contain your grades for the past three (3) semesters of academic work. If you have attended more than one school in the past two years, request that a transcript also be sent from your former school.

Register to take the ACT without Writing. Your score can be download and sent to OSSM by the school or the student. We will accept ACT with Writing, but it is not required.

We strongly encourage students to take the ACT exam between September and January. If you are taking the February ACT, request that your school send your transcript without these scores. The results of the February ACT will be received by your school in mid-March. Request that a copy of these scores be sent to OSSM as soon as possible after receipt.

Note that due to COVID-19, the student's inability to take the ACT prior to making application will not penalize the student. However, the student must still provide ACT scores before beginning the fall semester at OSSM.

OSSM Application for Admission

There are five sections to the formal application:

- Applicant Data
- Signatures and Declaration
- Academic and Extracurricular Activities
- Applicant Essays
- Legal Guardians' Statement

Section I - Applicant data. To be completed by student or Legal Guardian. Type or print legibly in ink and complete all information.

Application ID Number - Place the last four digits of your social security number on each page of the application as well as on the recommendation forms.

Specify any handicap or health conditions of which OSSM should be aware (e.g. hearing, vision, diet, allergies, and/or any conditions that require medications or ongoing medical monitoring) or any reason a student would not be able to share a room with another student in our residence hall.

Section 2 - To be completed by student and Legal Guardian.

Read each section carefully. Application must be signed by applicant and Legal Guardian in order for the application to be considered.

Section 3 - Academic and Extracurricular Activities. To be completed by student. Read each item listed and darken in the appropriate response. Answer all questions in parts 1-4.

Section 4 - Applicant Essays. Parts 1-4. To be completed by student.

How you think and express yourself are very important to our evaluation. Please do not use your name or the name of your school or town in your essays. Although students may solicit advice from others (e.g. teachers, Legal Guardians, etc.) the actual essay responses should be written by the student.

Type or word-process your essays in **Arial** or **Times New Roman** fonts. The font size should be 12pt. Number and write the essay prompt followed by your essay. Make sure that your application ID number is provided at the top of each page.

Paper clip the answers to your questions together along with the Legal Guardian Essay and submit these materials with Sections I through 4 of your application.

Section 5 - Legal Guardian Essay. To be completed by Legal Guardian.

Type your essays in **Arial** or **Times New Roman** fonts. The font size should be 12pt. Essays may not be handwritten. Write the question followed by your answer. Do not use your child's name, the name of your child's school, or town in your statement.

Make sure that your student's application ID number is provided at the top of the page. Paper clip the Legal Guardian Essay to the Student Essays.

Teacher Recommendations (3)

Place the application ID number on each page of each recommendation form:

- English Teacher Recommendation
- Mathematics Teacher Recommendation
- Science Teacher Recommendation

Teacher recommendation forms may be signed electronically or manually. Digital signatures are accepted.

Principal or Counselor Recommendation

Place the application ID number on each page of each recommendation form.

You may request that both your principal and counselor submit a recommendation on your behalf, but only one recommendation is required.

The Principal or Counselor recommendation form may be signed electronically or manually. Digital signatures are accepted.

If you have questions regarding the application procedure, please call (405) 521-6439, or email the Dean of Admissions at admissions@ossm.edu

If your school does not have a counselor, please have your principal complete the recommendation.

ADDITIONAL INFORMATION

- Your application may be emailed or mailed and must be postmarked by March 1, 2021. **Applications may be submitted any time before the deadline.** We do not accept faxed applications or emailed applications.
- Completed applications may be submitted to the office of admission.
- Do not include additional letters of support from your other teachers. Only the English, Mathematics and Science Recommendations will be considered.
- Make sure that you have requested a transcript of your grades from 9th grade as well as the first semester of 10th grade.

The Oklahoma School of Science and Mathematics does not discriminate based on ethnicity, national origin, gender, religion, disability, or age. The purpose of gathering this information is to ensure that proper facilities are available to serve all students selected for admission.

SECTION IV - APPLICATION ESSAYS- To Be Completed By the Student

Student Essay Questions - The following questions will inform the admissions committee about your interests and abilities. Write **300-500** word essays for each of the four essay prompts.

Essay 1 - OSSM students must have a high level of maturity, whether living away from home or working daily without teachers or supervision. Please explain why you want to enroll as a student at OSSM.

Essay 2 - We want to know why you are excited about science, technology, engineering, and mathematics (STEM) fields of academic study. (We **DON'T** need a list of clubs, fee-based programs, or competitions in which you've participated.) We need to know why you are excited by these fields and why you believe you need to learn more about them.

Essay 3 - Please list up to four of your best examples of out of classroom activities that demonstrate your ability to take initiative, improve your education, or improve your community. Then explain your level of involvement and why the activity demonstrates your abilities or talents.

Essay 4 - OSSM requires a significant time commitment to study outside of school, in the evening and weekends. How are you going to commit and make time available for OSSM's academic programs?

SECTION V – To Be Completed By Legal Guardians (Follow the Directions from Page 4)

Legal Guardian Essay - Tell us how you feel about the possibility of your student attending the Oklahoma School of Science and Mathematics. When writing your essay, do not use your child's name, school, or hometown in your comments.

Identify your relationship to the student. Do not sign your name to your essay. Include your student's application ID number on the top of the page.

Legal Guardian essay prompts have a 300 word limit.
