

# Virtual math contest set for June 29

## STAFF REPORT

A free middle school math contest will be held Tuesday, June 29 from 10:30 - 11:30 a.m., hosted by the Oklahoma School of Science and Mathematics (OSSM).

This year, the contest for all Oklahoma students in grades 6, 7 and 8 during the 2020-21 school year will be virtual.

“OSSM’s math contest for middle school students

promotes mathematics skills above the regular classroom and is a vehicle into the world of ‘contest math,’” said Dan Vossen, program coordinator.

The 60-minute test will consist of problems based on the Oklahoma Department of Education’s middle school mathematics standards.

Students will compete against one another, and the three top-scoring

individuals from each grade will be recognized.

Students must register online to compete.

Deadline is Friday, June 25.

To register and download practice tests, visit <https://www.ossm.edu/ossms-middle-school-virtual-math-contest/>.

For more information about the math contest, email Vossen at [dan.vossen@ossm.edu](mailto:dan.vossen@ossm.edu).
