Approximately 3.8 million students took the PSAT/NMSQT in 2019. OSSM Juniors spent the weeks leading up studying, and many were nervous but excited. Junior Clara Daly says she's "stressed but excited for the opportunity."

## Mental Health Day

Last Sunday. Operation: Yellow held a snack social and decorated the Great Hall for World Mental Health Day. World Mental Health Day is an international day for global mental health education, awareness and advocacy against social stigma. Operation: Yellow officers spent Saturday night stringing up yellow lights and streamers in the Great Hall. They also left sticky notes across the Residential Hall promoting their motto: #youMatter. Sunday night following Study Time, the officers served out lemonade and popcorn. "It was a ray of light that brought the community together," said Junior Sydney Lynn.

## Paintball

After Saturday's History test, several students headed to Choctaw with Dr. Wang and Mr. Triplett for some paintball.

Mr. Triplett reports being shot by his own team member, perhaps as payback.

The concert was held on the east side of the dorms, facing the MAC. There was a reception held afterwards with cookies and lemonade. Salewon's music was very jazzy and soothing and got many students dancing and moving out of their seat!

## Junior/Senior Flag Football Game
