### First OKML contest to be held Oct. 12

The first Oklahoma Math League (OKML) contest will be held Tuesday, Oct. 12, in the Reading Room. All students are invited to participate.

Be seated at 4:25 p.m. for a sharp 4:30 p.m. start; bring your calculator (graphing allowed) and pencils.

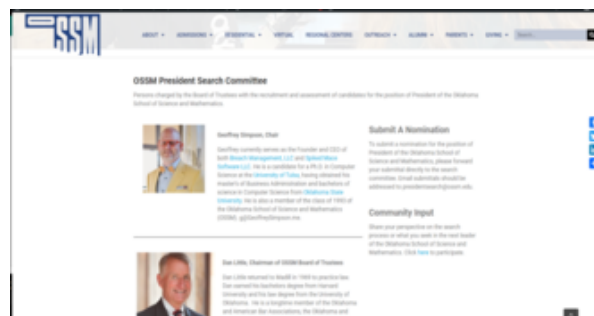

The OKML is a 30-minute, six-question contest. Questions start out relatively easy and gradually get more challenging.

### Charlie and the Chocolate Factory

The OSSM Parent's Association is planning a trip for all students to see the musical performance of "Charlie and the Chocolate Factory" at the Oklahoma City Civic Center on October 31. In previous years, all students would attend this event. This year, however, the Civic Center is requiring all visitors to be fully vaccinated against the COVID-19 virus or get a negative COVID-19 PCR.

Foundation Board Vice Chair
