OKLAHOMA SCHOOL of SCIENCE and MATHEMATICS

"Exploring the Marvels of Math & Scientific Laboratory"

VISIT OSSM FOR INTERACTIVE MATH & SCIENCE FIELD TRIP

When: Field trips are scheduled on Mondays or Fridays, September 2023-May 2024.

Time: 10:30 a.m.-1:30 p.m.;   Location: 1141 Lincoln Blvd., Oklahoma City, OK Apple Map Link; Google Map Link

We invite educators from across Oklahoma to take a field trip to the Oklahoma School of Science and Mathematics. Engage with our renowned faculty as they guide you through science labs, and a challenging math game with Dr. Wang (graduate of MIT). Join us to experience the invigorating environment that fosters critical thinking, problem-solving, and scientific exploration!

What to Expect:

1. Our History: Learn about Oklahoma's commitment to nurturing the unique talents and abilities of gifted students and discover how OSSM prepares students for success through exceptional learning opportunities.
2. MAC Building: Enter our Math and Science Center, where innovation and discovery take center stage.
3. Samson Discovery Center: Immerse yourself in our Samson Discovery Center, a hub of scientific inquiry and hands-on learning. Participate in captivating activities that showcase our commitment to nurturing a deep passion for math and science.
4. Dan Little Residence Hall: Gain insights into our vibrant residential life by visiting the residence hall. Discover the comprehensive support system in place to ensure the well-being and success of our students.
5. Library Lesson: Experience a captivating lesson in our esteemed library focusing on the learning mindset and the importance of embracing teacher feedback. Our experienced educators will guide you through practical strategies to cultivate a growth mindset among gifted students, empowering them to embrace challenges and develop resilience.
