

Oklahoma School of Science and Mathematics

Position Available

Regional Center (Tahlequah/Stilwell) Mathematics Instructor

The Oklahoma School of Science and Mathematics (OSSM) is an academic emphasis, math and science emphasis, two-year, tuition-free, residential high school located in Oklahoma City and available to any qualified Oklahoma student. OSSM is characterized by rigor that produces elite rankings. Recently, OSSM was ranked the second-best high school in the nation. In addition to the residential school in Oklahoma City, OSSM also provides a half-day program at sites outside the OKC metro. These sites are called regional centers and typically offer calculus and physics courses that students can take while maintaining their home high school affiliation.

General Characteristics and Qualifications

1. A distinguished record of professional success.
2. An enthusiastic and inspiring teaching approach with a student-centered mindset.
3. Experience teaching pre-calculus and calculus preferred.
4. Excellent interpersonal skills as exemplified in working with faculty, staff, parents, and students.
5. Strong academic credentials; master's degree or higher preferred.

Salary

Salary is competitive and commensurate with credentials.

Benefits include health, Oklahoma Teachers' Retirement, 401(a) plan, 457 plan, and others.
Faculty Endowment.
