

## Oklahoma School of Science and Mathematics

### Biology Instructor

The Oklahoma School of Science and Mathematics (OSSM) is seeking a biology instructor to teach college-level biology courses.

OSSM is an academic emphasis, 2-year, residential high school located in Oklahoma City, Oklahoma. OSSM consistently ranks as one of the top 10 high schools in the United States (currently ranked 11<sup>th</sup> by Niche.com and 2<sup>nd</sup> by Wall Street 24/7).

#### General Characteristics and Qualifications

1. Possesses the professionalism, maturity, excellence, and teamwork that align with the OSSM mission and values.
2. Possesses an enthusiastic and inspiring teaching approach with a student-centered mindset.
3. Possesses strong academic credentials with a master's degree in biology; Ph.D. preferred.
4. Possesses experience teaching advanced and introductory courses such as: Genetics, Microbiology, and Endocrinology at the undergraduate or high school level. There is also the possibility for the instructor to develop and teach a course of their own design that complements the existing biology curriculum.

#### Salary & Benefits

1. Salary is competitive and commensurate with credentials.
2. Benefits include health, 401(a) Plan, 457 Plan, teachers' retirement, and others.
3. Faculty Endowment

#### Application Procedure

Email letter of interest, resume, and the names, addresses, and telephone numbers of three references to:
